FEEDBACK ALERT

Feedback Alert provides you with a daily email containing all of your online guest reviews from major websites such as TripAdvisor®, Yahoo!® Travel, Priceline®, Google™ Maps, Hotels.com™, Expedia™, Orbitz™ and Travelocity™. Read through the emails to learn what guests are saying about your hotel. Since Feedback Alert is managed by professional reviewers, the reviews will be filtered to ensure that you only receive relevant online guest reviews.

FEEDBACK SUMMARY REPORT

Every month, you will receive a feedback summary report in PDF format. This informative report contains summary rankings from the major travel websites, comparisons with up to three competitor hotels and all of your previous month's online guest reviews. This is an excellent report to share with your entire customer service team.
